Dear Members of the Class of 2014:

To some extent, we will be graduating together on May 17, 2014! You will be receiving your bachelor's degree, and I will be receiving the Doctor of Laws honoris causa from Wheaton on that day. This is your last year, and it is my last year at Wheaton! Next year you will be going off to a job, graduate school, a fellowship year abroad, an internship, or some other kind engagement. Dr. Betty Neal Crutcher and I will be moving to Berlin, Germany.

Please remember as you graduate that the word commencement is derived from the French verb "commencer," which means "to begin." Thus, while you are at the end of your four years of college education, you are not really done with your education. In a sense you are only just beginning. Given the pace of change in our global society, any profession you pursue will require you to be a continuous learner with the adaptive skills, grit, and resiliency to change with your profession.

Through Wheaton's Connection Curriculum, I have no doubt that you have acquired these competencies. No matter where you go and what you pursue I wish you well on your journey. I am very proud to consider myself an honorary member of the great Class of 2014!

Sincerely,  
Ronald A. Crutcher  
President

This year's theme is Lyon  
Pride. We are celebrating all  
things at Wheaton,  
including our newly  
designed logo (pictured  
above left) and the new turf  
field. The drawn Lyon seen  
throughout the book  
(pictured below left) was  
drawn by one of our  
yearbook members, Eliza  
Kennedy '14.

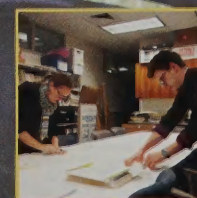

# Campus Life

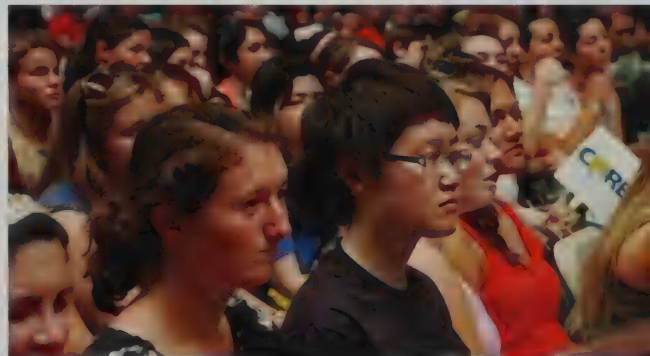

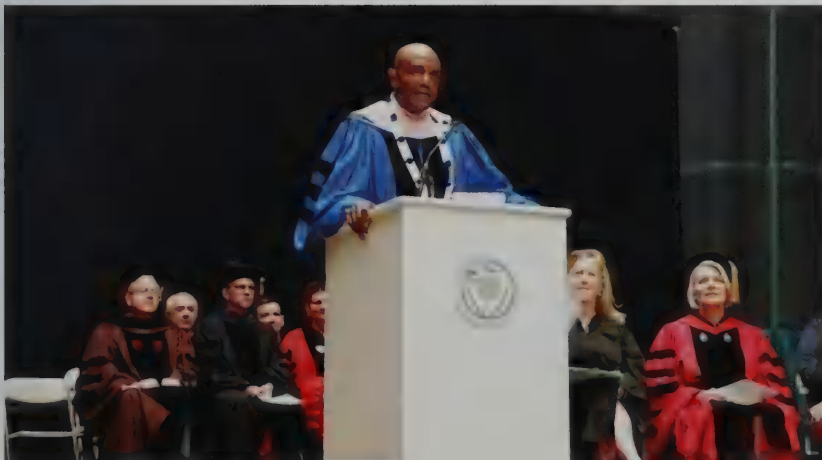

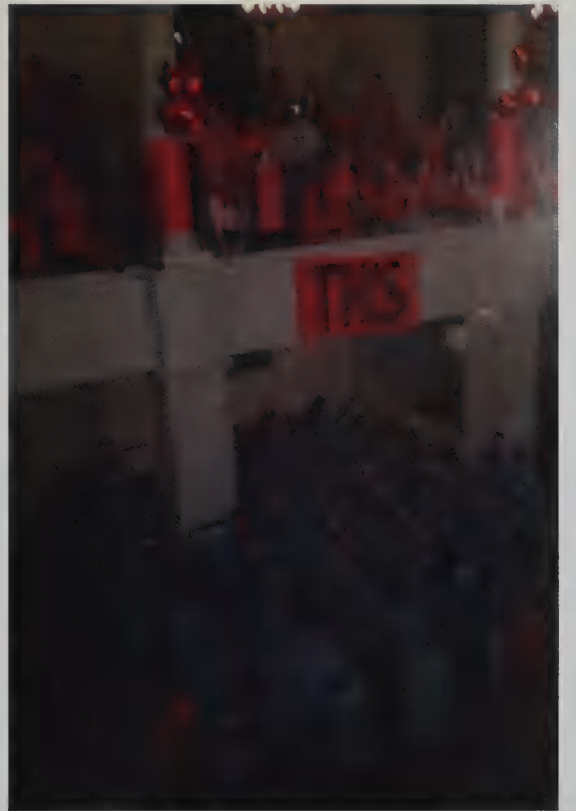

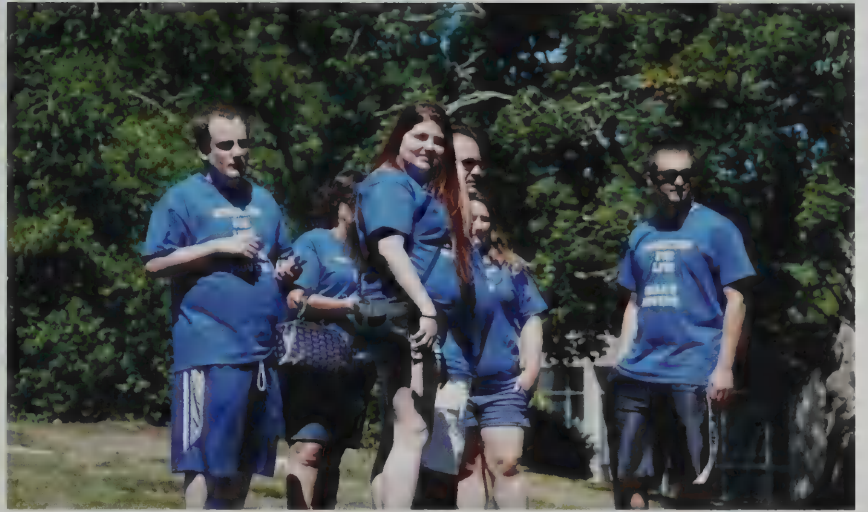

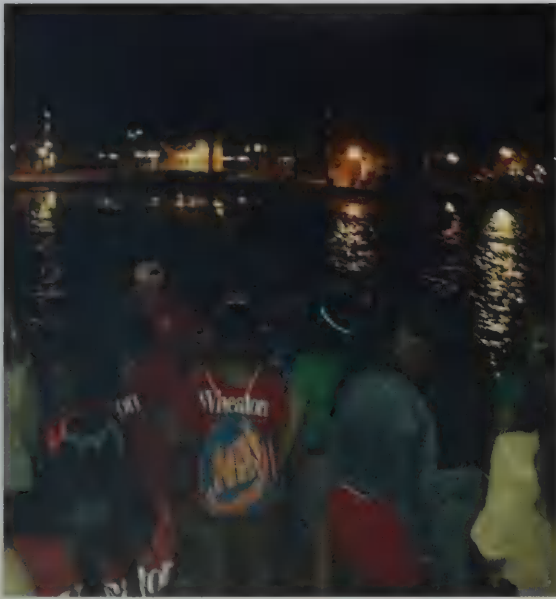

# Orientation

Orientation took place at the end of August when the class of 2017 moved into their dorms. New students participated in a host of activities during Orientation. The annual Lyons' Pride/Candlelighting Ceremony is perhaps the favorite activity during Orientation with all class years in attendance.

# Homecoming

This year's Homecoming took place from October 4th-6th. There were many activities for students and their families including a farmers market and sports games. This year the new Diane C. Nordin '80 Turf Field was unveiled during Homecoming weekend.

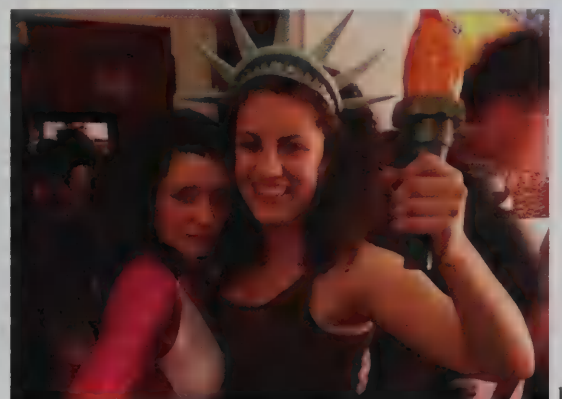

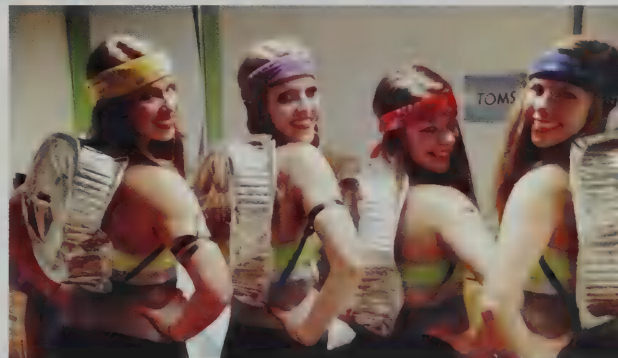

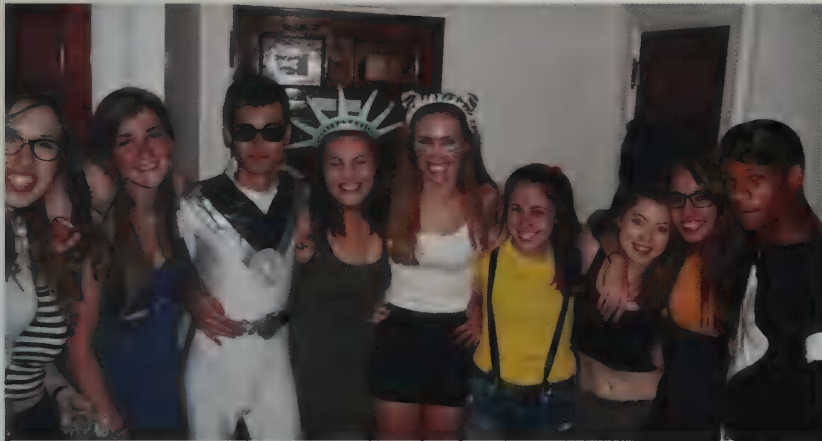

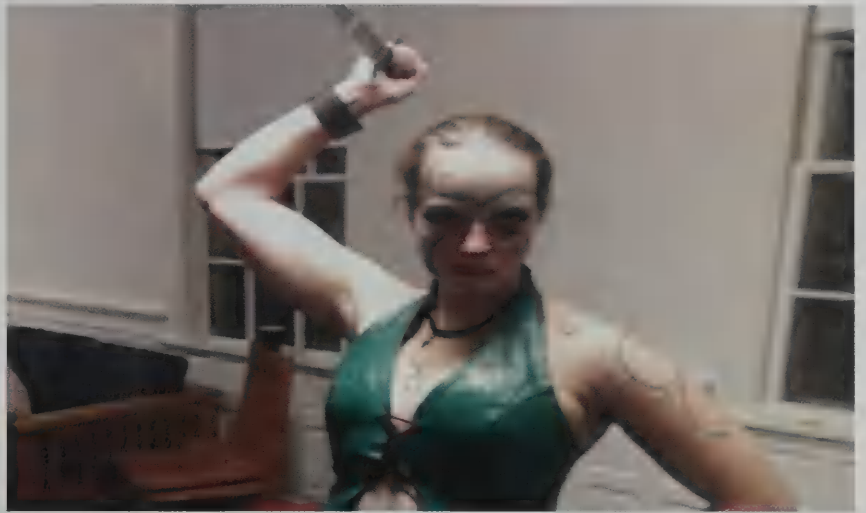

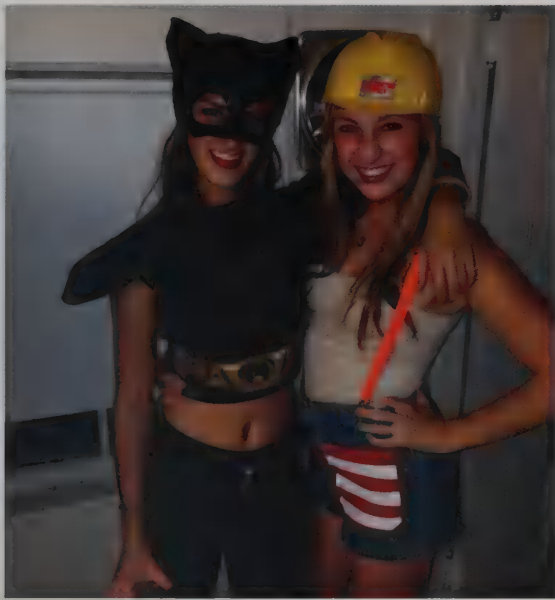

# Halloween

Halloween is a favorite time for Wheaton students. Students dress up in a variety of costumes and attend Wheaton's Halloween dance. Wheaton students also enjoy the Fall Fest where they can paint pumpkins and enjoy treats.

# The Bash

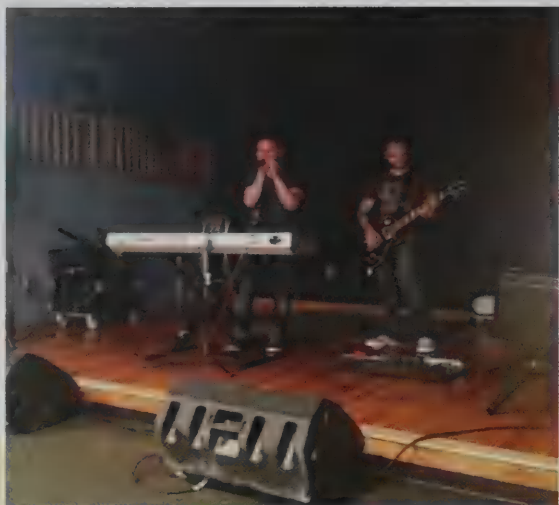

The Bash is Wheaton's semi-formal dance that is held at the end of fall semester. This year's Bash was held on November 23rd off-campus.

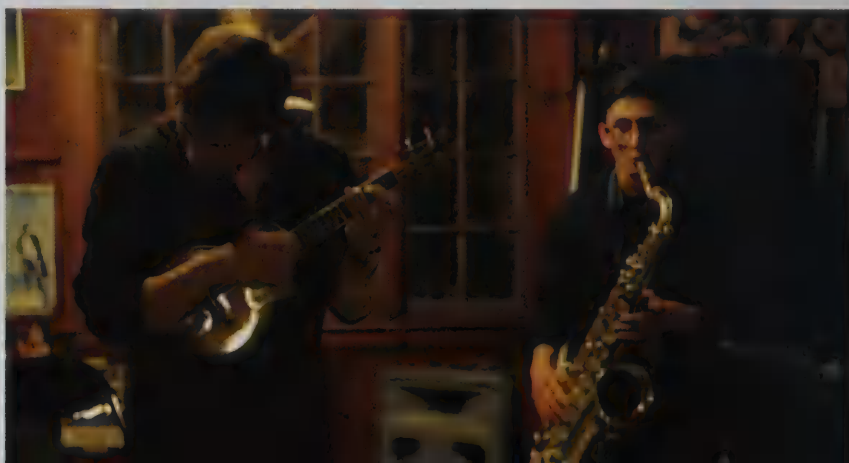

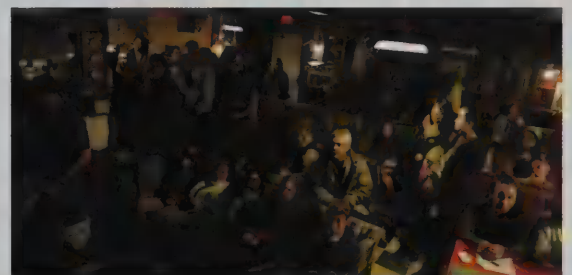

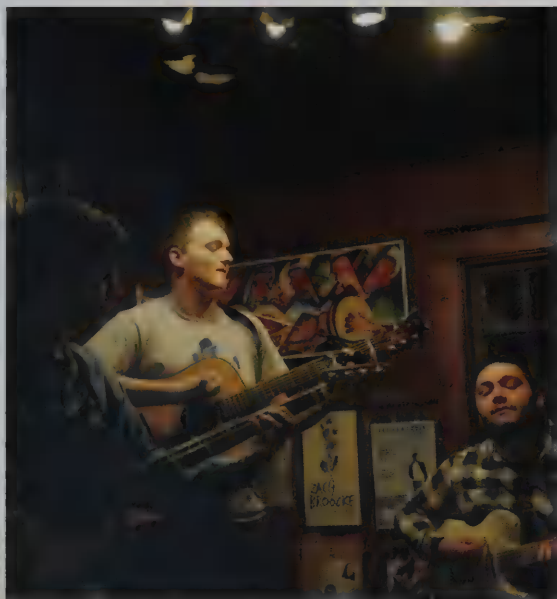

# The Den & The Loft

The Lyons' Dens and the Loft are two favorite student hangouts. The Den is popular for its great coffee and snacks. Student musicians often perform there during "Open Mic" nights. The Loft hosts bands during "Live at the Loft" evenings and is also the only place on campus that serves food late at night.

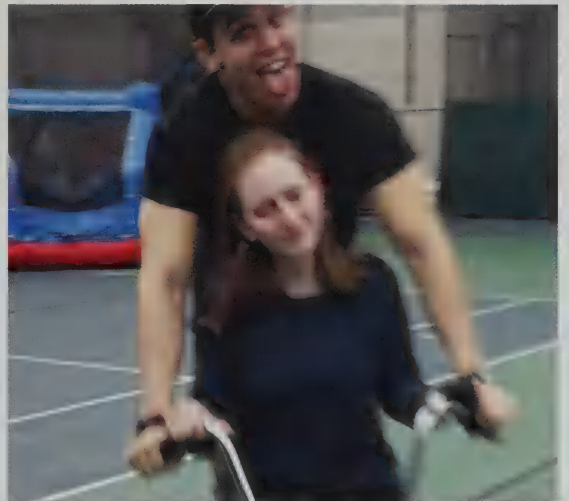

# The Big Event

The Big Event was held this year from January 31st to February 2nd. The Big Event promotes sobriety among college students, and it is hosted by the Wheaton Athletic Mentors (WAMs). This was the 10th annual Big Event, and all proceeds went to the local Special Olympics team, Heller's Angels.

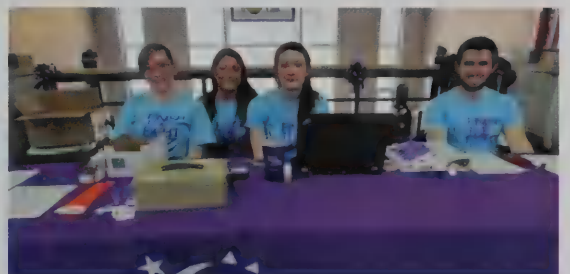

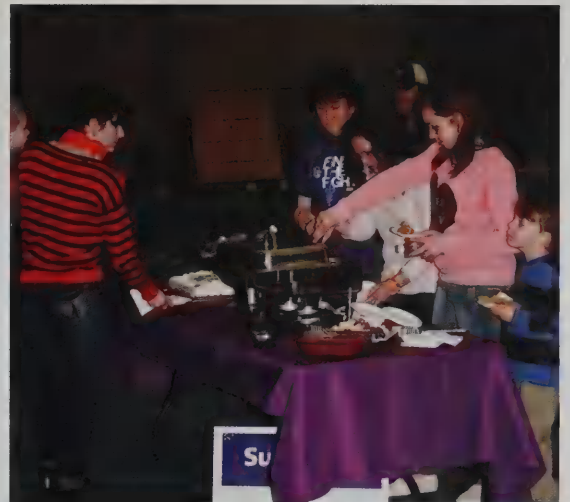

# Relay for Life

This year's Relay for Life took place on April 4th-5th. Wheaton students gathered in Haas to walk around the track to raise money to fight cancer. Many clubs, like Ultimate Frisbee and Equestrian Club, raised thousands of dollars to benefit the American Cancer Society.

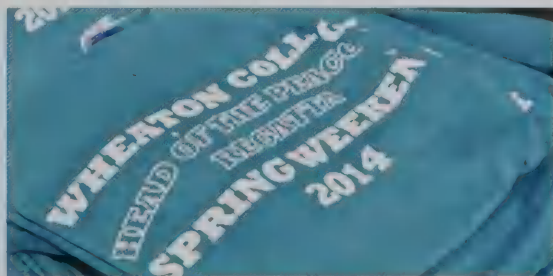

# Spring Weekend

Spring Weekend took place this year from April 24th to April 27th. This year's theme was "Out of this World." The weekend was packed with student performances and a concert by The Big Bang ft. Chiddy Bang. Perhaps the favorite event of Spring Weekend is Head of the Peacock where students race homemade boats across Peacock Pond.

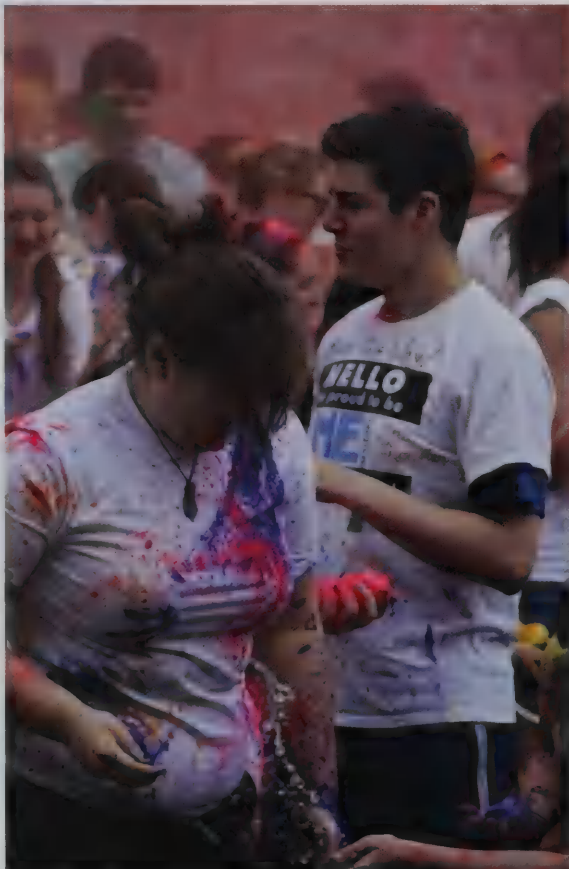

# Holi Bai

Holi Bai was held on the last day of classes, May 2nd. Students celebrate the end of the semester by throwing colored powder at each other and then jumping into the pond afterwards.

# Seniors

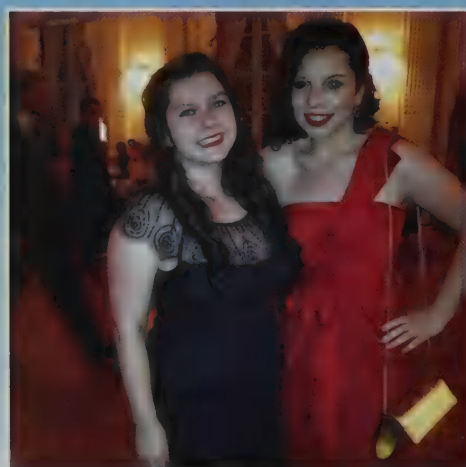

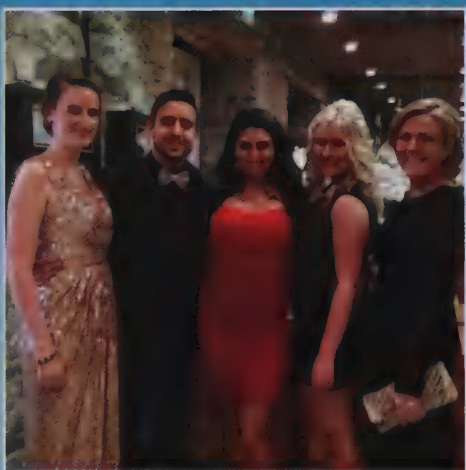

# Senior Week

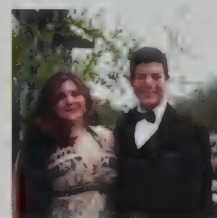

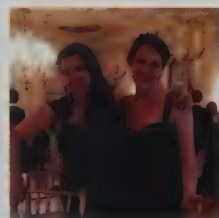

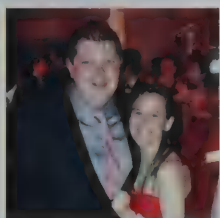

Senior week has many fun activities for the imminently graduating seniors. Seniors enjoyed the White Glove Branch, the traditional Hoop Roll, the senior class photo, and the planting of the class tree. Seniors also went to Mohegan Sun for Disorientation, enjoyed campus barbecues, and a day trip to Boston.

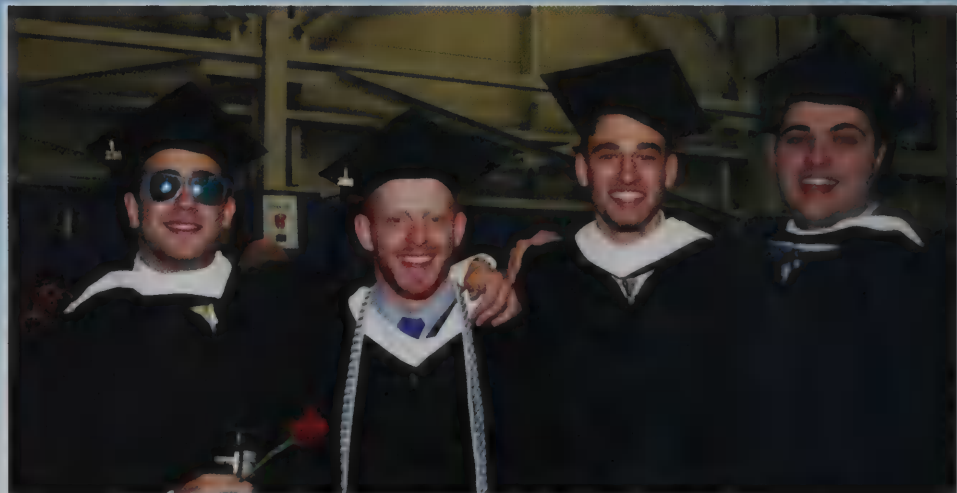

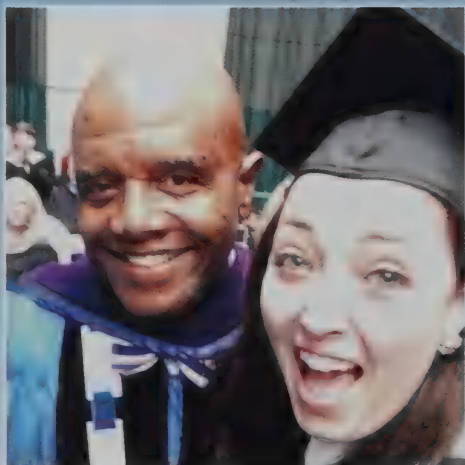

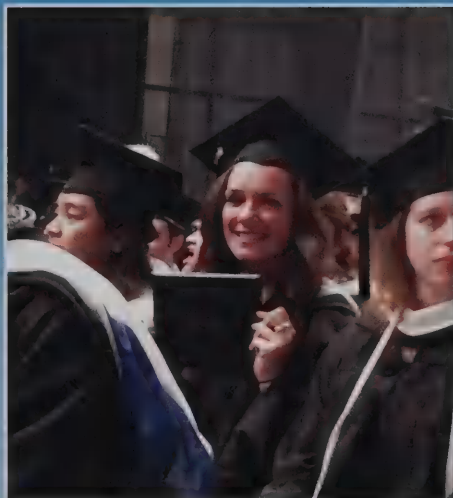

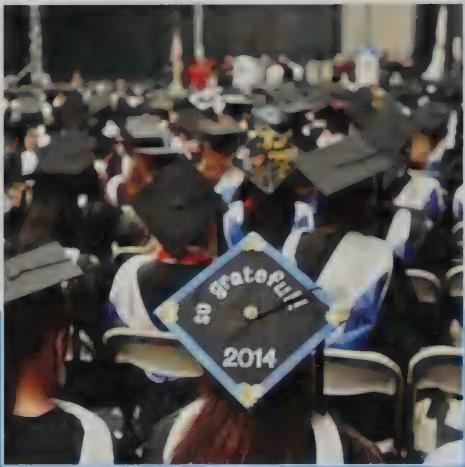

# Rosecliff

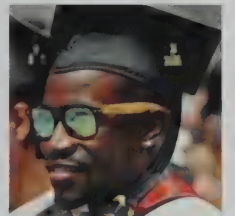

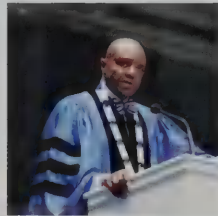

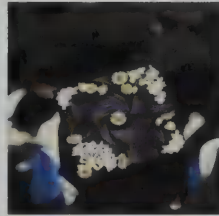

Every year, the senior class attends a dance at the Rosecliff Mansion in Newport. The dance took place this year on May 13th. Seniors enjoyed dancing the night away with friends before graduation on Saturday.

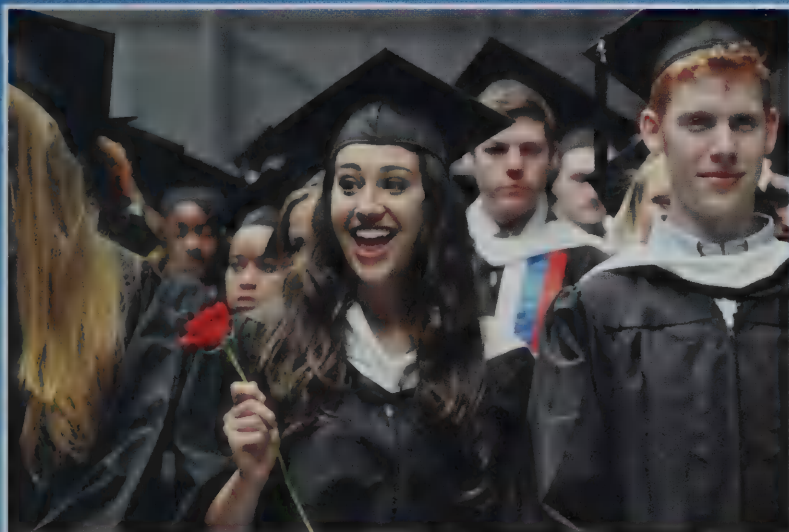

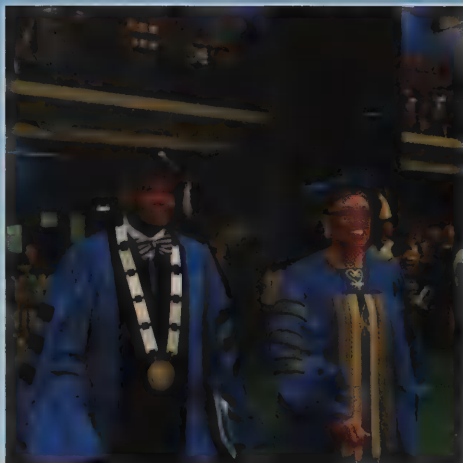

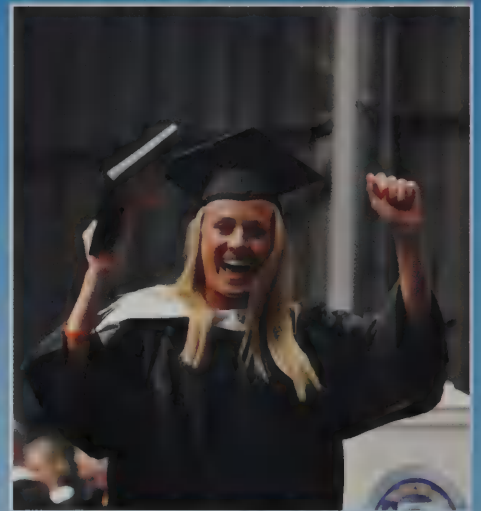

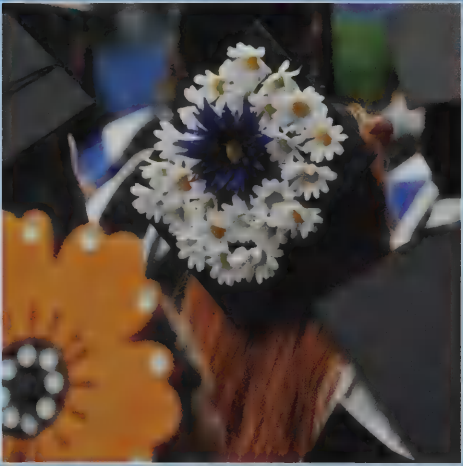

# Graduation

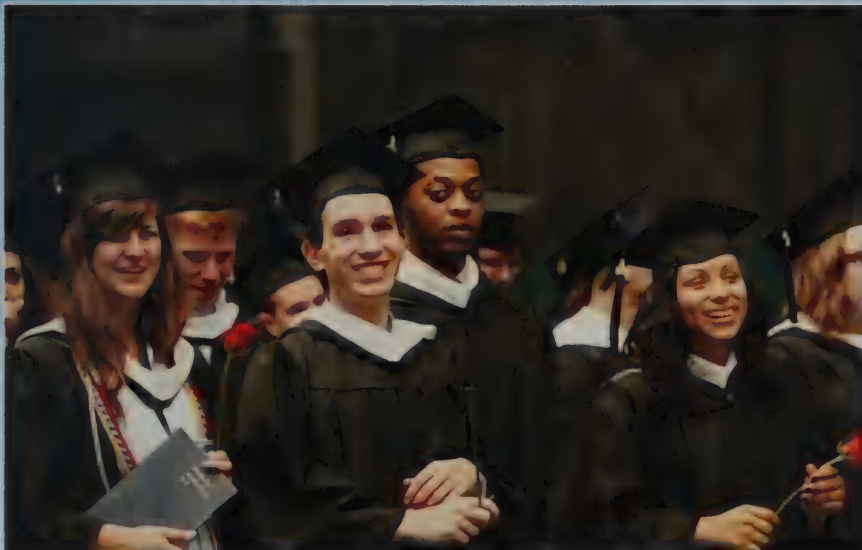

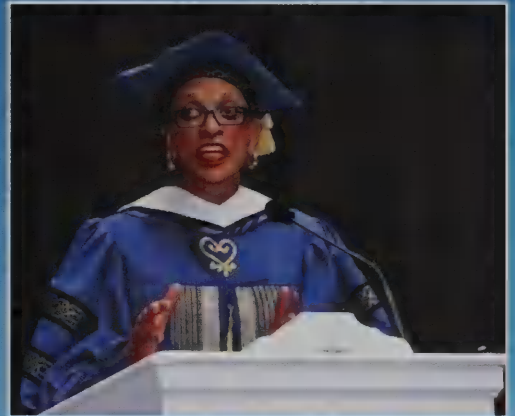

Graduation was held on Saturday, May 17th in Haas. Johnnetta B. Cole, the director of the National Museum of African Art, delivered the keynote address at the 179th commencement. Congratulations to all members of the Class of 2014!

sister ever!  
WE LOVE YOU!!!

Blanche, this is me 20 years from now. Don't worry, we're still friends and you still hate the panda.

So much love,

## Hello Sweetie !

Congratulations on your many accomplishments, Breanna.  
We know you will have a bright future.

Remember, life is not a straight line. It's more of a wibbly-wobbly, timey-wimey thing. Just keep calm, carry on, and tell yourself "Allons-y".

Much love, Mom, Dad, Steph and Brandon
